13/25 MINUTES:

Minutes of the AGM held on 7th May 2024 having been circulated, were agreed and signed. Proposed by R. Coombes, seconded by R. Page.

14/25 CHAIRMAN'S REPORT:

W. Coombes reported that 2024/2025 had been an interesting year. This included, Stover Country Park and the opening of the new buildings, the restoration of the Gate House completed and the first phase of the dredging of the Lake.
Inconsiderate parking and accidents required Police attendance, unfortunately this was not effective.
The A382 was closed again and the previous assurances and plans given by D.C.C. to the Parish Council were not implemented. We have again received assurances that this will not happen again.
November saw one of the worst flood events occur in recent years. The Railway Line was washed away, the Stover Canal banks were breached and then Clay Pit bank failed resulting in flooding of the Clay Pit. The Parish Council are involved in across agency meetings hosted by Sibelco in order to repair the damage and reduce the likelihood of this happening again.
W. Coombes thanked all the councillors for their part on the Parish Council. R. Coombes for being our representative on the Canal Trust, A. Gale for his work as Treasurer and for the use of the mower to cut the village field. Last but not least P. Adams for his Clerk duties and his skill to use the technology.
W. Coombes thanked all that attended for their support.
